9th Grade Family Meeting

September 15, 2020

Question for chat:

Is a hotdog a sandwich? Why or why not?

Attendance

- Staff take attendance every day, for all five periods
- Student absences need to be excused while we are in virtual school
- Attendance can be excused in the following ways:
 - Email to attendance office Lindbergh.attendance@rentonschools.us
 - Phone call to attendance Office 425 204 3228

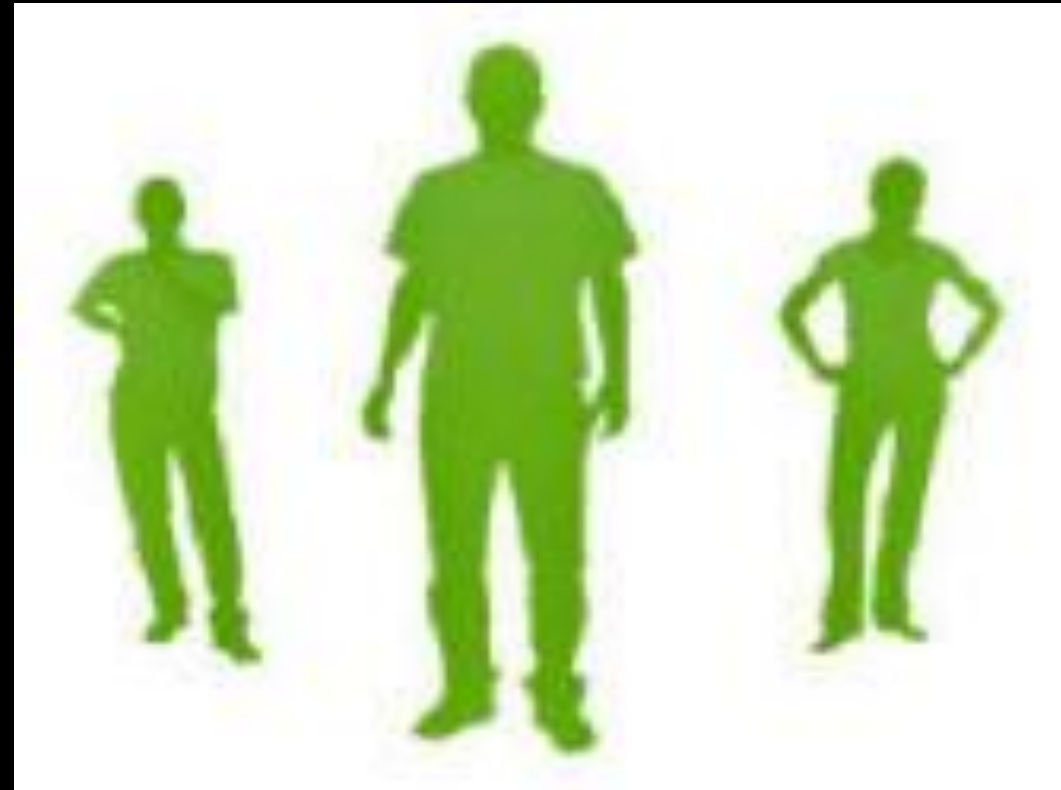

Having a student let their teacher know during a Zoom meeting they will be gone for any reason will not excuse the absence, although it is good practice!

Suicide Awareness Month

WE ARE ALWAYS HERE TO HELP

Don't hesitate to raise the subject. Talking with young people about suicide won't put the idea in their heads. Chances are, if you've observed any of the warning signs, they're already thinking about it. Be direct in a caring, non-confrontational way.

What to do if you see the warning signs?

1

If a friend or someone you know mentions suicide, take it seriously.

2

If he or she has expressed an immediate plan or has access to a gun or other potentially deadly means, do not leave him or her alone.

3

Get help immediately.

4

Talk to an adult you trust.

Other key risk factors include:

- Readily accessible firearms
- Impulsiveness and taking unnecessary risks
- Lack of connection to family and friends (no one to talk to)

**These warning
signs are
especially
noteworthy if
there has been:**

- A recent death or suicide of a friend or family member
- A recent break-up with a boyfriend or girlfriend, or conflict with parents
- News reports of other suicides by young people in the same school or community
