# Counseling Team

**Wiam Humadi (A-E)**

**Beth Lumsden (F-L)**

**Corbin Sheffels (M-R)**

**Koy Saechao (S-Z)**

**Counseling Office Manager: Nelly Moreno**

**Registrar: Helen Owens**

**College and Career Specialist: Ivery Rhodes**

# You are going to:

1. Review your Transcript
2. Complete a Credit Evaluation
3. Determine what classes you still need to take to both earn your diploma and prepare for your post-secondary plan
4. Use the “Jot Form” planning tool to identify which classes to prioritize
5. Find and complete the AP/College in the HS Contract
6. Begin data entering your class choices into Skyward

# You will now receive a copy of your transcript

Here's what you need to know about it:

- Your transcript is a legal document of every class that you have taken in high school.
- It lists the classes that you took each trimester
- What your grade earned was in that class
- The credit that you earned per class.
- It is the document that you use when applying to colleges and scholarships.

Now we'll check it for accuracy

## Find:

**The total number of credits that you have earned**

## Warning:

If you are below 6.0 credits, then you are deficient. You are not on track to graduate on time. See your counselor and create a plan.

## Find:

### Your Cumulative GPA

This is the magic number that you use when you are applying to universities and scholarships.

## Additional State Requirements

### High School and Beyond Plan

- Will be completed your Senior Year

### Washington State History

- Completed usually in the seventh-grade year.
- If yours is not marked as “Met” then your counselor will work with you to meet this requirement at a later time

### Graduation Pathway

- This is the Math and ELA SBAC exams which you will take at some point when we are back in school

### Community Service –

- A minimum of 20 Hours
- This gets marked off in the Spring of your Senior Year.

# Math

**-A minimum of three years of Math are required for a Lindbergh diploma.**

**-Algebra and Geometry are required along with a third year of math.**

Hint: You are looking for Algebra 1A and Algebra 1 B.

The Algebra Fundamentals only counts as an elective.

**If a student has an IEP in Math, then their IEP math classes count in the math boxes.**

**Question: “What if I took Algebra or Geometry in middle school”?**

*You need a minimum of three years recorded on the transcript. If you took Algebra or Geometry in high school, then you are probably in Math Analysis or Calculus now.*

*Keep going- you are doing awesome!*

**Question: “How do I get my Algebra or Geometry from middle school added to my transcript?”**

*Email your counselor. There is a form that both you and your parents must sign.*

*Legally once a class is put on the transcript, we can not take it off. We recommend only adding credit earned in middle school if it is going to raise your cumulative gpa.*

# Social Studies

-All students must pass  
Human Geography

-Two classes count as Social  
Studies elective:

-World History A

-Psychology

-You will take US History in  
Junior year and Civics in Senior  
year

## **SOCIAL STUDIES (3 credits)**

Human Geography ☐

Social Studies Elective ☐

US History ☐ ☐

Civics/CWP ☐ ☐

Note: If you are in AP World History, the first two trimesters will check off Human Geo. and SS Elective. The third trimester will count as CWP! You should have a “T” in that box

# Science

A minimum of  
three years  
(6 trimesters)  
of Science are  
required for your  
diploma.

- You took Physics A and Chemistry A as a Freshman
- You should be enrolled in Biology A&B this year
- You may have also taken:
  - AP Biology
  - Anatomy and Physiology
  - Robotics
  - Pre-Engineering
- Any blank boxes you have left are science classes that you will need to take before you graduate

# PE and Health

- **1.50 credits (Three trimester classes) of Physical Education is a graduation requirement.**
- **Health – a .50 credit of Health is required.**

You can find this in your ninth-grade year.

*Hint: If you were in a different district in ninth and tenth grade then you may not have taken Health yet. If you can not find Health on your transcript then you are going to need to take it before you graduate. It is a requirement for a diploma.*

# Career and Technical Education

## You need 2 trimesters

### **What classes count as a “CTE” credit?**

Look on your transcript

- any class marked with a PVO code counts as a CTE credit

or

Look on the Course Offering Sheet

- any class marked with an asterisk counts as a CTE.

# What Counts as a Fine Art?

## Fine Arts

- Band
- Orchestra
- Choir
- Art
- Ceramics
- Photography
- Visual Communications  
and Digital Design
- Video Foundations  
and Production
- Website Design
- Yearbook

*Website Design and Yearbook will count as a fine art for meeting your high school diploma however neither class fulfills the fine art requirement for university admissions.*

# World Language

Two years of a World Language  
are required for your diploma

For University Admissions the two years must be the same language.

Competitive universities prefer three or four years of the same language.

## World Language Exam

If you can speak, read and write another language then you can earn credit.

Once Covid is over we will be able to offer the World Language exam.

Exams are available in over 100 different languages!

# What is the PPR?

## PERSONALIZED PATHWAY

Personalized pathway is for students who are passionate about a field that does not require a 4-year education, they can take 3 credits that will prepare them for a field to replace the 2 credits of World Language and 2nd credit of Fine Art.

Example 1: A student who wishes to go directly to a 4-year university would need to earn:

- 2.0 credits of World Language
- 1.0 additional credit of Fine Art

Example 2: A student who plans to become a graphic designer, and will attend a 2-year college to start, could take:

- 1.0 credit of Visual Communications
- 1.0 credit of Website Design
- 1.0 credit of Introduction to Marketing

# Electives – What is an “Elective”

**There is no magic list of electives**

**An “Elective” is simply classes that you take in addition to the basic requirements.**

Your elective choices should prepare you for: “What are you graduating to?”

- Two-year Community Colleges
- Four-year Colleges and Universities
- Career/Technical Trade Schools
- Apprenticeship
- Military
- Employment
- Courses that don’t necessarily apply to any of the above, but look like something you’d like to try (you never know where it might lead!)

If you are planning to apply directly to a four-year university then your electives are going to be:

## MINIMUM COLLEGE ADMISSIONS STANDARDS at Washington's Public Four-Year Colleges

REQUIRED CREDITS	
<input type="checkbox"/>	4 credits of English
<input type="checkbox"/>	3 credits of math including Algebra II or Integrated Math III
<input type="checkbox"/>	Senior year quantitative math
<input type="checkbox"/>	3 credits of social science
<input type="checkbox"/>	2 credits of science
<input type="checkbox"/>	2 credits of world languages
<input type="checkbox"/>	1 credit of arts

**More: Math, Science and World Languages**

**Make yourself academically competitive while still maintaining a strong gpa and a healthy balance.**

**Meeting the minimum entrance requirements does not guarantee admittance.**

**Some colleges have additional requirements, so visit their websites to see what else they require.**

# What are you trying to graduate to?

What would your electives be if:

- You want to do something in Construction?
- You want to join the Marines?
- You want to start your own business?
- You want to work at Boeing?
- You want to be a Nursing Assistant?

Thus- anything can be an “Elective”.

- For some of you it may be more sciences and more math classes.
- For others it may be construction, strength training, business classes etc
- It is up to you and your future plans as to what courses you choose to fulfill your elective boxes.

# Next Steps:

## What's Blank on your Credit Check Form?

What classes are not marked off as completed or are on your schedule right now?

- Those are the requirements that you have left for your diploma.
- These are the courses that must be first put on your registration form for next year.

## Course Selection Planning Tool

We created a digital worksheet to help you determine which classes you want for your 15 trimesters

- Go to the Lindbergh Counseling Website
- Click on the Registration Tab and go to the “Class of 2024 – Current Sophomore” page
- Find the “Course Selection Planning Tool”.
- This form is for planning out classes and credits. You will officially register for classes through Skyward

## Course Selections for Your Junior Year

This form lists every class that is available to a Junior. It is a very long form. You need a total of 15 trimester classes to create a full schedule. Each time you mark a box this form will count up your total. Go to the very end of this form to see your total.

Should I still register for classes at Lindbergh if I am wanting to do Running Start next year?

**YES!**

Register for Classes at Lindbergh even if you think you are going to transfer to Running Start!

- If you decide that you are serious about enrolling in Running Start become aware of the registration dates for the community college you are wishing to attend. We have 5 different colleges in our area that students can choose from for Running Start. The earliest opening for fall applications is not until March.
- Do not gamble your diploma! Register for classes at Lindbergh just in case you do not get into Running Start.
- If you become successfully registered for Running Start later in the Spring, then your counselor will simply drop your Lindbergh Course Selections.

# Trying to Decide Whether to do Running Start?

## Benefits

- Getting college credits for little cost (class fees and books still have cost, can be waived with Free/Reduced lunch status)
- Colleges offer classes that we do not, including ones that may be relevant to your career path
- Becoming an independent student

## Risks

- Grades go on your permanent college transcript
- Lindbergh teachers/counselors are not able to provide support
- If you are not ready for college level classes, you will fall behind in high school requirements as well

Honors/AP/CIHS classes registered for the 2022 - 2023 school year:

- I understand that Honors/AP/CIHS courses require more work outside of class and higher-level thinking.
- I have checked the homework requirements for all my classes, and I am certain that I can handle the workload, along with my other commitments (school, family, and extra-curricular).
- I understand the teaching schedule is created from student requests: therefore, I will not be allowed to drop any Honors, AP, or CIHS classes that I sign up to take.
- I understand I am responsible for the completion of summer assignments prior to the first day of school. If I don't complete these assignments, I will remain in the class and my grade will be impacted.
- Classes that offer college credit have a cost associated to receive college credit. However, students may take these classes and receive the high school credit at no cost.
  - If you would like to receive college credit but cannot pay the cost, please check with the instructor to see if funds are available.

Skyward data entry is easy!  
It is a very intuitive program

The screenshot shows the Skyward system interface. On the left is a sidebar with navigation links: Calendar, Gradebook, Attendance, Student Info, Busing, Food Service, **Schedule** (highlighted with an orange circle), Discipline, Test Scores, and Activities. The main content area displays a message 'Schedule is not available' followed by a redacted area. Below this, it says 'Currently Scheduled Class: Mon Dec 21, 2020 7:24am' and 'no scheduled classes today.' In the top right corner, a green message box states 'Course Requests now open' with a link 'Request Courses for 2020-2021 in LINDBERGH HIGH SCHOOL' (also highlighted with an orange circle). Below the message, there are tabs for '2020 - 2021 Print Schedule', 'Term 1 (09/02/20 - 12/03/20)', 'Term 2 (12/04/20 - 03/13/21)' (highlighted in yellow), and 'Term 3 (03/14/21 - 06/23/21)'. A table below shows 'Period 6 (10:59 PM - 11:59 PM)' and 'Period 7' across the terms. A note at the bottom right says 'The current term is highlighted.'

## Click Schedule

- On upper right you will see “Course Requests Now Open”
- Beneath that click on “Requests Courses for 2022-2023”

## Are You a Zero-Hour Band, Orchestra or Choir Student?

- Do not try to enter your Zero-hour courses
- Skyward data entry is set to limit you to 7.50 credits (15 trimester classes)
- Your Band, Orchestra and Choir teachers will provide the counselors a list of students who should be enrolled into Zero hour.
- We will enter these classes for you.
- Simply communicate with your music teacher and they will let you know the requirements for being added to the zero-hour ensembles.

## Remember to turn in your signed AP and College in the High School Contract to your counselor!

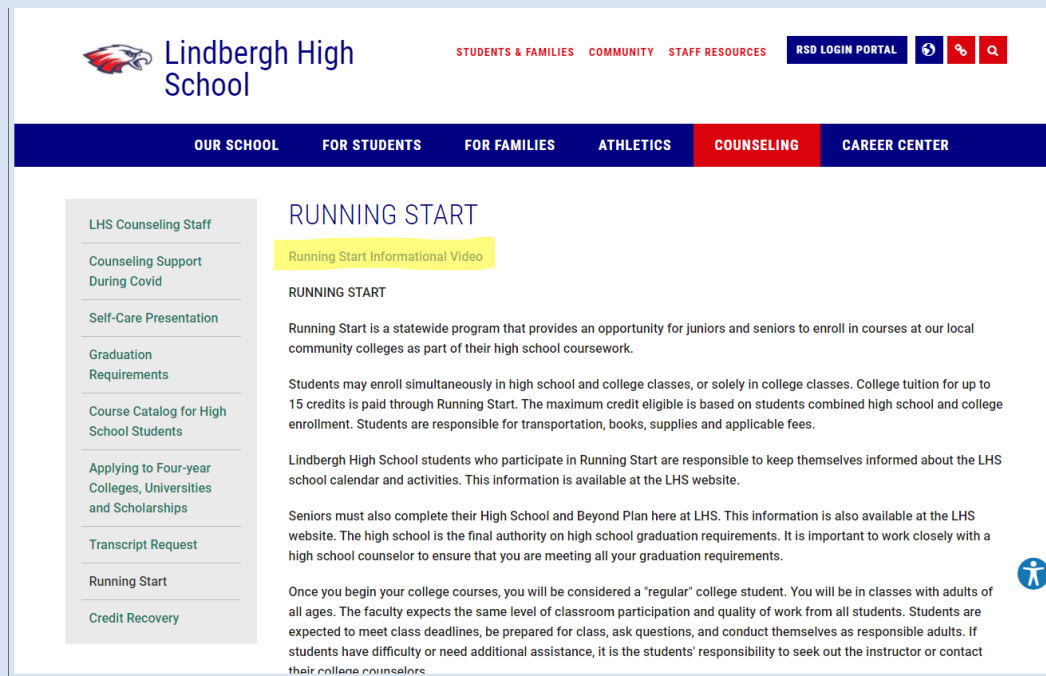

- If you entered any AP or College in the High School classes into Skyward, then you must complete and sign this form.
- Find the form under the “Class of 2023 – Current Juniors” Tab in the Registration portion of the Counseling Website
- It is a fillable pdf. This means that you should download the form and then save it to your desktop. You, and your parents can electronically complete and sign it and then email it to your counselor.
- If you do not turn in this form to your counselor, then your AP or College in the High School classes can not be scheduled.

# Running Start?

- Are you thinking about Running Start? Do you need more information?

Go to our Counseling Webpage and we have an entire section devoted to Running Start. It will explain everything you could possibly want to know.

The screenshot shows the Lindbergh High School website. The header includes the school logo, name, and navigation links: STUDENTS & FAMILIES, COMMUNITY, STAFF RESOURCES, and RSD LOGIN PORTAL. A dark blue navigation bar contains links for OUR SCHOOL, FOR STUDENTS, FOR FAMILIES, ATHLETICS, COUNSELING (highlighted in red), and CAREER CENTER. On the left, a sidebar lists counseling resources: LHS Counseling Staff, Counseling Support During Covid, Self-Care Presentation, Graduation Requirements, Course Catalog for High School Students, Applying to Four-year Colleges, Universities and Scholarships, Transcript Request, Running Start, and Credit Recovery. The main content area is titled 'RUNNING START' and features a yellow link for 'Running Start Informational Video'. The text explains that Running Start is a statewide program for juniors and seniors to enroll in college courses at local community colleges. It details enrollment rules, credit limits, and the responsibilities of students and the school. A small blue icon of a person is visible in the bottom right corner of the content area.

## RUNNING START

[Running Start Informational Video](#)

**RUNNING START**

Running Start is a statewide program that provides an opportunity for juniors and seniors to enroll in courses at our local community colleges as part of their high school coursework.

Students may enroll simultaneously in high school and college classes, or solely in college classes. College tuition for up to 15 credits is paid through Running Start. The maximum credit eligible is based on students combined high school and college enrollment. Students are responsible for transportation, books, supplies and applicable fees.

Lindbergh High School students who participate in Running Start are responsible to keep themselves informed about the LHS school calendar and activities. This information is available at the LHS website.

Seniors must also complete their High School and Beyond Plan here at LHS. This information is also available at the LHS website. The high school is the final authority on high school graduation requirements. It is important to work closely with a high school counselor to ensure that you are meeting all your graduation requirements.

Once you begin your college courses, you will be considered a "regular" college student. You will be in classes with adults of all ages. The faculty expects the same level of classroom participation and quality of work from all students. Students are expected to meet class deadlines, be prepared for class, ask questions, and conduct themselves as responsible adults. If students have difficulty or need additional assistance, it is the students' responsibility to seek out the instructor or contact their college counselors.

## Questions:

- Counselors are available every day before school and during lunch. Pop in and see us.
- Your teachers are smart! They can answer almost all registration questions. You see them in class everyday- just ask 😊
- See our Registration Q and A Sheet on the school website.
- Teachers are the experts about the classes offered in their subject area. If you have questions about a specific class or content area, ask your teacher who teaches that subject (ie what Science should I take next year? Ask your science teacher for their opinion).
- All registration materials are posted on our website for your review at any time.
