A photograph of the University of Washington Tacoma building. The structure is a mix of red brick and light-colored concrete. It features a large, multi-paned glass entrance area. An American flag flies on a tall pole in front of the building. The sky is blue with scattered white clouds. In the foreground, there is a paved road and a small grassy area with a red curb.

## (2.0 credits)

If you are a Band, Orchestra or Choir Student it makes sense to continue with your music.

# Japanese

World Language - A minimum of 2 years are required for a high school diploma. Competitive universities prefer 3 or 4 years of the same World Language. If you already read, write or speak another language then you can choose to take an exam and earn your credit that way. If you do not want to attend a university and would prefer to access the Personal Pathway option then you can skip this section.

# Alternates!

## You are going to need 6 of them

**ALTERNATES:** Choose six additional classes you did not list above.

These should be classes you are willing to take if one of your above seven do not fit into your schedule.

1	2	3
4	5	6

- The Master Schedule is a complicated puzzle.
- Not all of your first choices are going to fit.
- In order to have a full schedule you **MUST** pick six alternates.
- Look over all of the courses to choose from. Pick six of these that you would be willing to take when some of your top choices will not fit.
